RE: Notice of Non-Compliance

A minor error was made in the last amendment submitted September 8, 2009. Claim 13 was labeled (amended) when it should have been labeled (previously amended). This change has been made below and the entire corrected amendment is submitted.

I wish to declare and make a verified statement that the modified claims include no new matter as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b) or 1.825 (d).

Respectfully submitted,

Elizabeth Gay Frayne
